

**EUGENE YACHT CLUB
2011 HARVEST DAY REGATTA
AUGUST 27 and 28, 2011
FERN RIDGE RESERVOIR
EUGENE, OREGON**

NOTICE OF RACE

You are cordially invited to participate in the 2011 Harvest Day Regatta, hosted by the Eugene Yacht Club. The Regatta will be governed by the rules as defined in *Racing Rules of Sailing 2009-2012*, except as any of these may be altered by the Sailing Instructions or by class rules that do not conflict with the Rules or Sailing Instructions.

Format: Seven races are scheduled. A Class must complete three races to constitute a regatta. Sailing Instructions and Course Sheets will be available on August 27 at the Regatta site.

Classes: The Regatta is open to all one-design, PHRF and Portsmouth classes. Classes participating in recent years have included Thistle, Lightning, Star, Daysailer, Snipe, Laser, Santana 20, Lido 14, Holder 20, Ultimate 20, Pelican, Wavelength 24, multihulls and several PHRF Keelboat categories (with valid current certificates from PHRF Northwest).

Scoring and Trophies: Five or more registered boats in a class will be scored as a Fleet. One race will be thrown out for scoring purposes if 6 or more races have been completed. No races will be thrown out if completed races are five or fewer. Provisions will be extended for handicap racing in a Portsmouth Centerboard Fleet. Trophies will be awarded according to the number of registered boats in each Fleet.

Registration: Eligible boats may enter by completing the Registration Form and submitting it, together with the required fee described on the Form. Entries will be accepted until 11:00 AM on August 27, 2011. Entries received on or before August 13, 2011 will be discounted \$10.00. Registration fees include a \$5 US Sailing membership discount. Refund requests must be received on or before August 27, 2011. Find Online Registration at <http://eugeneyachtclub.net>.

Insurance: Competitors participate in the Regatta entirely at their own risk. See Rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during or after the Regatta. Each participating boat shall be insured with valid third-party liability insurance with a minimum coverage of \$100,000 per event or the equivalent.

PLEASE PAY PARTICULAR ATTENTION TO THESE EUGENE YACHT CLUB GROUND RULES

- ***UNDER NO CIRCUMSTANCES ARE PETS OF ANY KIND ALLOWED ON YACHT CLUB GROUNDS***, even if they are left in a vehicle or other enclosure. If you must bring your pet, camping is available at the county's Richardson Park, immediately northwest of the EYC grounds. As of 2010, Park rates are \$20 per night, plus \$6.50 for each additional vehicle. Some electrical/water hookups and pay showers are available. A reservation fee applies. Call Lane County Parks at 541/682-2000 for information and reservations. Reserve online at <http://ecomm.lanecounty.org/parks>.
- Please observe the ground signs and instructions for camping, swimming and parking of boats, cars and recreational vehicles. If you arrive late (after 10:00 PM Friday), please park and camp in the area just to the right inside of the EYC gate. **Please keep cars off the front lawns (they are soft and we have a delicate underground irrigation system)** by using the available trailer dollies to move boats.
- Alcoholic beverages may be consumed discreetly and in moderation on Club grounds.
- Be conscious of safety. Please watch your children when they are on EYC grounds, even though they may be in the designated swimming area. Please don't run, jump, or fish on or from the docks. ***SMALL CHILDREN MUST WEAR LIFE JACKETS AT ALL TIMES WHILE ON THE DOCKS OR NEAR THE WATER.*** Child safety while on EYC grounds is a parent's responsibility.
- **FOR THOSE WHO PLAN TO BRING AN RV:** Eugene Yacht Club, at the insistence of the County Fire Marshall, can no longer permit electrical cords, hoses and water pipes to cross vehicle traffic areas. Very few Club RV parking spaces are equipped with power hookups.

Most RV campers using EYC grounds will therefore need to be fully self-contained.
