Meals: Staff do not pay for meals but since the club does – and we would like an estimate for the caterer. **Note:** If you are not eating breakfast but want to count on lunch – you must get to club house prior to 8:30 to make your lunch – or get a friend to do it for you - because the “make your own sack lunch” area is cleaned up when breakfast closes at 8:30 am. (You snooze you miss lunch!)
